National Workshop on "Interdisciplinary Translational Research in Pursuit of Better Healthcare"

24th & 25th April, 2019

Ultimate Goal - Research Translation to Health

Organized by

Dr. Pinnamaneni Siddhartha Institute of Medical Sciences
& Research Foundation
Chinna Avutapalli, Vijayawada. Krishna Dt. A.P.

Under Aegis of

Siddhartha Colleges Innovative ENdeavour Centre of Excellence (SCIENCE),
Sponsored by

Siddhartha Academy of General & Technical Education (SAGTE),
Medical Council of India & Dr. NTR University of Health Sciences

The National Workshop on “Interdisciplinary Translational Research in Pursuit of Better Healthcare” is a novel and perhaps the first of its kind in India. It is planned to bring high profile luminaries directly or indirectly involved in interdisciplinary health research. These resource persons belonging to different disciplines such as Medicine, Dentistry, Engineering, Pharmacy, Nursing etc. will be brought under one umbrella to share their experiences and expertise with the participants. This workshop will provide a unique opportunity to the delegates to showcase the research achievements of their respective institutions. The deliberations of this workshop will significantly contribute to the existing knowledge in biomedical research for the ultimate benefit of the community.

Dr. Pinnamaneni Siddhartha Institute of Medical Sciences & Research Foundation has taken a bold and innovative step to form a forum, namely 'Siddhartha Colleges Innovative ENdeavour Centre of Excellence (SCIENCE) with nine constituent colleges of SAGTE from various disciplines (Medical, Dental, Engineering, Pharmacy, Arts & Science, Nursing). The main objective of SCIENCE is to conduct collaborative research utilizing the expertise of faculty from different disciplines and facilities available at the constituent colleges of SAGTE. This workshop will boost the interdisciplinary research activities.
