*Dr. Swathi*

**Purpose:**

Competency Based Medical Education is introduced by National Medical Commission and the first batch under CBME joined medical colleges in 2019. Curriculum committee and sub-committees are constituted to implement, organize and integrate the several aspects of CBME to the students of all 3 phases of M.B.B.S in accordance to the guidelines of National Medical Commission.

**Objectives:-**

1. To discuss the newer Medical Education technologies and teaching learning methodology.
2. To plan and conduct CISP workshops in the institutions.
3. To report to State NMC Nodal Officer on a regular basis as and when required.

**Roles and Responsibilities:-**

1. Curriculum Committee of Medical Education Unit comprises of the faculty who are trained in CISP at Andhra Medical College and who have ACME certification. This committee members guide the phase wise sub committees to help the organizing at departmental levels.
2. Medical Education Unit convener will be the convener of Curriculum Committee and is responsible for collecting the phase wise time table schedules, reports and monitor sending the reports to State coordinator by phase wise conveners.
3. Curriculum sub committee members of each phase (I, II, III Part I & Part II) are responsible for preparing the schedules, integration, competencies etc. in coordination with departmental curriculum sub committees.
4. Every department should form its curriculum sub committee to prepare the faculty for the CBME implementation. The committee is responsible and answerable to the curriculum sub committee of the concerned phase and MEU curriculum committee.
5. Teaching schedule committee prepares day wise teaching plan taking all the aspects like the main curriculum, AETCOM, ECP, AITO, Foundation course etc. (whichever is applicable). Phase wise conveners must coordinate the vertical and horizontal integration. The schedules phase wise are to be sent to State Nodal Officer regularly through curriculum committee convener.
6. Phase wise AETCOM committee coordinators will address the topics under AETCOM in coordination with Community Medicine dept. and will continue for 4 ½ years.
7. AITO conveners also have to coordinate both horizontal and vertical alignment and integration cover atleast 5 topics for each batch of admissions.
8. Other Curriculum committees will work under the directions of the convener along with phase wise curriculum committee conveners.

**Agenda:-**

1. Medical Education Unit Curriculum Committee will meet once in 3 months.
2. Phase wise Curriculum sub committee will meet once in 2 months.
3. Department curriculum sub committee will meet once a month.

**Records to be maintained:**

1. The conveners will maintain the records and lesson plans at each level in every phase.
2. Convener is responsible for preparing the minutes of the meeting.
3. Attendance sheets of the meeting.
4. Records shall be maintained for a period of 5 years.

**Terms of office:**

The committee will be appointed for a period of two year. The members of the committee shall hold office for a period of two years from date of constitution.
