Telemedicine Hall**

Organised by :

Department of Anatomy

**Dr. Pinnamaneni Siddhartha Institute of
Medical Sciences & Research Foundation**

**Chinnavutapalli,
Gannavaram Mandal, Krishna District.
Andhra Pradesh.**

Welcome Message

Respected delegates,

We the faculty and staff of Department of Anatomy at **Dr. Pinnamaneni Siddhartha Institute of Medical Sciences & Research Foundation**, take the pleasure of inviting all the esteemed anatomists of AP & Telangana State for the 19th Regional Society of Anatomists Meet to be conducted on 11th, 12th & 13th August 2022.

After intense deliberations we have put forth the theme of conference to be **“Blending scalpel with the digital stylus – scaling new heights in e-anatomy”**, which will enhance us in exploring and expanding the horizons of digitalization in the discipline of anatomy. Prospects of translational research in anatomy shall be an added flavor to the theme.

Covid pandemic succeeded in imposing physical barriers amongst us. Let us all reconnect and rejuvenate to celebrate the essence of being a proud anatomists. Looking forward for an active participation from all the respected members of the society and the generation next. Request all to kindly accept our invitation and grace our hospitality.....

Organizing Secretary

- Abstracts should be submitted as an electronic copy through online abstract submission system available on website.
- Abstracts should be structured accordingly in IMRAD(introduction, methods, results and discussion) pattern with apt conclusions for both scientific papers and posters.
- Registered delegates are requested to submit their abstracts on or before 21st July 2022.
- Award papers should be directly mailed to the general secretary of RSA at nalluribindu@gmail.com.

AWARDS

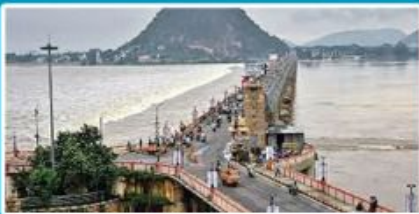

1. **Dr. Lily Ebenezer Memorial award** : For best paper in Medical education
2. **Dr. Rajendra Babu Award** : For best poster presentation
3. **Dr. Suseela Narayana Award** : For best paper in Neuro Anatomy

RESEARCH AREAS

- Gross anatomy
- Microscopic anatomy
- Museum and embalming techniques
- Anthropometry
- Histo-pathological techniques
- Medical education
- Genetics
- Innovations in anatomy
