CONTINUOUS REGULAR ASSESSMENT POLICY DOCUMENT

As a part of monitoring the performance of students regular assessment exams are conducted on a quarterly basis. The regular assessment exams are conducted in both the theory and practical formats to assess the academic progress of the students during the course period. Concerned faculty are asked to evaluate the performance of students with in a given time frame and students are given feed back on their performances.

Low achievers are followed up with remedial teaching and assisted learning.

Periodic reassessment tests are conducted to low achievers after remedial teaching to fulfill the eligibility for the upcoming phase-wise university exams.
