

New Training Center Information

Purpose:

This memo provides you with your security code for purchasing course completion cards, your TC ID # to use to correspond with the AHA on questions about your training center as well as information about how to obtain the exams, and how to access the Instructor Network and CPRverify website.

TC Code:

ECC International welcome's you to the American Heart Association's Training Network. As part of your training center process you should become familiar with the Program Administration Manual. There is an international version of the PAM located on CPRverify. You can access the PAM by logging into CPRverify, click on the information tab and in keyword field type PAM.

We hope this helps you in your daily operations of your training center. Should you have any questions please feel free to contact me via email at pamela.rojas@heart.org. Included in this email is your TC ID #. Your TC ID # is a number that is assigned to you by us so that we can identify your training center when you submit training reports, survey's etc.

Your TC ID # is: ZZ21388

Please do not confuse this number with your security code listed below.

Security Code and Purchasing Course Cards:

Your security code is used to purchase course completion cards from the distributor. Your security code is issued only to you, as the ITC Coordinator you are responsible for all course completion cards that are issued by your training center and training sites that report to you. Please do not give this code to anyone.

For a list of Authorized International Distributors please visit the AHA International Heart website.

When purchasing course completion cards please provide the following information to the distributor:

Legal Name of ITC – this is the name on your training center agreement.

Training Center Coordinator Name

Security Code

If someone is ordering course completion cards for your organization or company they must use the information provided above. They would place the order and state “as authorized by” and give the name of your training center. This will prevent delays in your order being processed and shipped.

Please let me know if you have any questions about ordering cards from the Distributors.

CPRverify:

As a new training center with AHA you will receive information regarding the CPRverify program. CPRverify makes it easier for our international training centers to track and monitor their training sites, instructors and students. CPRverify is the International Training Center's resource for all course and ITC related materials, such as:

- Course Exams
- Skills Testing Checklist
- Translated Course Resources
- Program Administration Manual (PAM)
- Training Memo and Communications from the AHA

Exams:

Much time and effort has gone into the development of AHA cognitive tests. These exams are developed and reviewed by both educational and science experts for their discipline. Security and integrity of exams must be maintained at all times.

Please remember all exams are copyright protected and should not be altered or translated. If specific translations are needed you must submit a copyright permission request via our website.

Your training center is responsible for developing a security policy for AHA exams. Exams should only be given to Course Directors authorized for the discipline being taught.

The American Heart Association's exams are to be kept confidential, maintaining security is of the utmost importance

The individual appointed as the Training Center Coordinator, will be able to access the exams on CPRverify under the “Exams” tab.

Please email cprverify@heart.org, if you have any questions or are unable to access your exams.

Instructor Network:

The Instructor Network is available as an **option** for international training centers. Much of the information located on the Instructor Network is now in CPRverify. You and your instructors may benefit from the use of the Instructor Community located on the Instructor Network.

The system will send you an email to create your profile. You will receive an email from our system that looks like this:

PLEASE DO NOT REPLY TO THIS EMAIL ADDRESS. YOU WILL NOT RECEIVE A RESPONSE TO REPLIES TO THIS EMAIL ADDRESS.

Dear ,

As a Training Center Coordinator (TCC), you have been approved for automatic access to the American Heart Association Instructor Network. A TCC account has now been created for you with the site. Through your special "TCC only" view of the AHA Instructor Network, you will be able to:

- Access the "Training Centers" area to receive targeted content and tools available only to TCCs
- Maintain Instructor Lists and Course Completions
- Pre-approve Instructors and HSSEs for access to the AHA Instructor Network (NOTE: full access is not available until Instructors/HSSEs also register with the Network)
- Confirm Instructors and HSSE for access to the AHA Instructor Network
- Deny and/or deactivate Instructors or HSSEs
- Send bulk or individual emails directly from the AHA Instructor Network (using your own email system)
- And MUCH MORE!

Please visit the [AHA Instructor Network](#) to complete your Training Center Coordinator Account.

Note: If for some reason the above link does not work, please copy and paste this URL into your web browser:

<https://ahainstructornetwork.americanheart.org/registration/common/completeProfile.jsp?application=eccportal&action=editProfile&id=ZWNjMTE1NzA5MjQ=>

Thank you for all you do to provide lifesaving training!

Sincerely,
AHA Instructor Network

If you do not receive the email above within five days of receiving this welcome email please let me know at pamela.rojas@heart.org. Please note: you may want to check your spam/junk folder, to make sure it is not there.

Your username will be your email address and for password, you need to enter the password at the time of completing the profile when you click on the link from the email.

Thank you,
Pamela Rojas
American Heart Association International
Data Specialist
